term_id	term_name	term
006082	organic acid metabolic process	234
043436	oxoacid metabolic process	232
055114	oxidation-reduction process	371
019752	carboxylic acid metabolic process	192
044281	small molecule metabolic process	431
043228	non-membrane-bounded organelle	502
043232	intracellular non-membrane-bounded organelle	502
005840	ribosome	155
005198	structural molecule activity	243
003735	structural constituent of ribosome	123
